# HEARTLAND PIES

BY TIPPIN'S

To create Heartland Pies by Tippin's, we use the same quality ingredients and baking techniques that make a great Tippin's pie, with a slightly smaller profile at a lower price point.

Featuring our signature tender, flaky crusts carefully mixed and rolled.

Sweet and custardy chess fillings with a luscious texture and rich flavors.

Scratch-made fruit fillings crafted with IQF fruit in a 50%+ fruit-to-slurry ratio.

Seasonal classics created with top-quality nuts and aged pumpkin puree.

Sized to serve an average family at an appealing weight and price.

Baked, labeled and retail ready.
